AGENDA HEARING PERIOD

President Meyer announced that all items on the agenda would be considered action items as well as some addendum items. District resident, Mr. Richard Gotshall noted that a lot of schools are establishing a “pay to park” program and he would like to see Southern move ahead with the plan. Mr. Rodgers explained that at the last Finance Committee meeting, it was decided that the administration was under a time constraint and would not be able to implement the program for the beginning of the school year. It was the consensus of the committee to recommend to the Board not to move forward with the plan. Mr. Caputo noted that they don’t have the staff available to enforce the policy. Mr. Jones added that they are saying it is administratively impossible at this time.

Mr. Clippinger questioned the addendum item. The Board Secretary responded that the motion was currently being written and was not complete, but it would be a motion to approve employment of Denise Kreisher for the position of Secretary to the Director of Curriculum, Instruction and Assessment/Business Office Secretary. Mr. Clippinger expressed concern that he had no say in the matter.

The Board entered into executive session at 8:20 p.m. to discuss a personnel matter and reconvened at 8:34 p.m. followed by a roll call of Board members.

COMMITTEE REPORTS

Curriculum - Mr. Clippinger reported that a brief meeting was held prior to the Board meeting. There was some discussion that the Board may want to approve individual teacher conferences. With limited funds available, all conferences that are allowed are geared toward building initiatives and goals. Timing would be a factor concerning the two Board meetings per month. He reminded the Board that there is a commitment to training in the Professional Education Plan. President Meyer noted that conference costs are already included in the budget. Mr. Beierschmitt noted that the Board was referring to out of state conferences. They would like to know prior to teachers going out of state. Mr. Yeager asked if they needed to make a consensus of the Board. President Meyer noted that they do not need to know prior to out of state conferences.

Policy - Hugh Jones, Chairperson, reported that no meeting was held, but they would meet next month at 6:30 p.m. prior to the 2nd Board meeting.

CSIU - No report.

Vo-Tech - Mrs. Bell-Perry reported that Mr. Dunkelberger and Mr. Becker are doing well. Ninth grade had an orientation during the JOC meeting.

Solicitor Roberts announced that an executive session pertaining to a PHRC case would be held following the meeting. An executive session was held prior to the meeting to discuss personnel matters.

Mr. Porter asked if items are put on a disposal list when they are replaced. Mr. Rodgers explained that the buses are not ready for disposal yet. The mechanics are in the process of stripping them and salvaging any useable parts.
