**COMMITTEE REPORTS**

Curriculum - John Yocum, Chairperson, deferred to Mr. Clippinger to summarize the meeting. Mr. Clippinger explained the handout that Board members had received. The first page deals with instructional goals to improve achievement, which is a state requirement for strategic planning. All of the plans refer back to the common goals. The state is requiring those common goals to center around student achievement. There will be goal statements in the strategic plan that refer to each of the areas that need improvement. Another state requirement is a statement of shared value. He pointed out some comparative PSSA Science scores for grades 4, 8 and 11.

### MINUTES AND INVOICES

On a motion by Steele and second by Yocum, the following items were presented for approval:

- A. Minutes of September 18, 15 and 22 (special meeting), 2008, were presented for approval. The motion carried by unanimous affirmative voice vote.

The motion carried by unanimous affirmative voice vote.

### ITEMS – FISCAL

On a motion by Stellfox and second by Starr, the Southern Columbia Area School District Feasibility Study submitted by The Architectural Studio dated October 6, 2008, was presented for approval. Prior to voting, Mr. Porter stated that he would like to see a little more specificity in some areas of the study. He noted that the study recommends over \$1 million in repairs and renovations to the bus garage, but it is not detailed. He also noted that a new track and turf were included in the study, but the Board didn’t ask for that. Mr. Reh stated that it was just an estimate that the architect included in the study. Mr. Porter noted that operating costs are not addressed. Mr. Rodgers stated that by approving the Feasibility Study, the Board is not committing to anything. This is the first step in a long process. He noted that he could put a projection of operating costs together, but it would be a “guesstimate.” Only a fraction of the allotted tax increase under Act 1 would be needed to support the debt service, so there is room to support other areas within the district. By roll call vote, the motion carried; 6-Yes, 2-No (Porter and Slusser voted No).

On a motion by Starr and second by Porter, a Resolution to Participate in the Common Cents Program (per Exhibit A) was presented for approval. By roll call vote, the motion carried; 7-Yes, 1-No (Stellfox voted No).

On a motion by Yocum and second by Steele to accept the Tax Collector Audit Report from Brewer, Gehrig & Johnson for the real estate taxes collected during the 2007-2008 fiscal
