### COMMITTEE REPORTS

Activities - The meeting was cancelled. A meeting with the spring sports coaches would be scheduled.

Facilities - Dave Stellfox, Chairperson, reported that they discussed making sure that the summer work would get done. The Board will be looking for a plan from Mr. George. Some additional summer help will be added pending Board approval. Mr. George reported that several projects are already underway.

Finance - Charlie Porter, Chairperson reported that a large part of the discussion was the budget. The budget includes a .63 mill tax increase in Columbia County and 2.0 mill increase in Northumberland County. A large part of that increase is due to a pension savings fund. Over \$100,000 will be set aside in a pension fund to prepare for projected increases in PSERS contribution rates. The district will receive over \$400,000 in stimulus funds. Mr. Rodgers reported that the Title I stimulus monies of \$111,000 will be going primarily for supplies, professional development and a reading paraprofessional. The IDEA stimulus monies of \$354,000 have to be spent in the special needs area, such as the social worker and behavior intervention specialist. Mr. Porter reported that the budget does include some new positions, which actually represent a savings over contracting out for services. They also discussed fuel oil and the locker room floors. Mr. Rodgers informed the committee that the district would receive a \$20,000 decrease in the worker's compensation insurance premium. The Safety Committee and projected pension increases were also discussed.

President Yeager stated that the district must be doing a good job managing its budget as it has been able to add staff and programs and still set aside over \$100,000 for projected retirement costs.

Mr. Porter reported that there would be a three percent increase in the athletic budget and athletic budget salaries. The assessment increase for Clean and Green will not take affect until July 2010.

Policy and Programs - Rich Steele, Chairperson, reported the committee is continuing to work on Policy 504 Public Participation in Board meetings.

Vo-Tech - Graduation is scheduled for July 9<sup>th</sup>. A Director of Student Services would be recommended to the Board.
