

**SOUTHERN
COLUMBIA AREA
SCHOOL DISTRICT**

SECTION: ADMINISTRATIVE
EMPLOYEES

TITLE: AIDS

ADOPTED: March 8, 1999

REVISED:

<p>1. Delegation of Responsibility</p>	<p style="text-align: center;">314.1. AIDS</p> <p>The Superintendent shall be responsible for the handling of all cases of AIDS and s/he shall make sure that all cases are handled with dispatch, consistency, and confidentiality. Each case shall be an individual matter.</p> <p>Any employee reliably reported as having AIDS shall be excluded from work until a case review is completed.</p> <p>The Superintendent shall be responsible for the establishment and chairing of a review committee for the case to consist of: employee's physician, public health official, employee's supervisor, and other appropriate personnel associated with the education setting.</p> <p>The review shall examine all pertinent facts in light of the risks to the infected employee and to other school people.</p> <p>After deliberation of all information, the committee shall determine if the employee should be allowed to return to work.</p> <p>It shall be the responsibility of the Superintendent to see that any remuneration and/or any other entitlements due and applicable are provided for any employee coming within this policy.</p>
