PAY TO PARTICIPATE – 2016-2017 SCHOOL YEAR

Dear Parent/Guardian:

The Southern Columbia Area School District implemented a Pay-to-Participate fee beginning the 2014-2015 school year per policy 123.1. This is a one-time annual fee of \$50 (unlimited activities or sports) for the entire year for any student who participates in interscholastic athletics and certain extracurricular activities as outlined in the Athletics and Student handbooks for grades 7 -12. Please refer to the reverse side of this letter for a listing of sports and activities. Students who qualify for free or reduced-price lunches, under the guidelines established for federally-funded lunch programs, shall not be required to pay the student participation fee but **must still send in the form below**. Payment and or completion of the form below must be received in the Business Office prior to participation in the sports season or activity.

Please remit the bottom portion of this letter with your payment (check or money order only) made out to: "SCASD" in the amount of \$ 50 (\$100 maximum per family).

Payments must be made at the district office.
Payment will not be accepted by any coach, athletic trainer or activity advisor or at any school office other than the district office.

Sincerely,

Denise J Kreisher
 Business Office Manager
